Refining Your Research Question

Tentative Research Question:
What impact does peer-harassment have on teen suicide?

Select the important parts of the question:
What impact does peer-harassment have on teen suicide?

Brainstorm search terms for each unique concept in your research question. What language would a scholar use to talk about each?

Term 1: peer-harassment OR "peer harassment" OR Bully* OR Bullies
AND Term 2: teen* OR adolesc*
AND Term 3: suicid* OR "suicid* ideation" OR "suicid* attempt*"

Narrow and broaden your search

The more unique terms you use in your search, the smaller your results list will be.
